

International Wire Form

International Wire cutoff time is 11:00 AM Central Time.

The Bank Security Act's "Travel Rule" requires "By Order Of" information including Originator Name, Account Number, Physical Address, City State and Zip within the wire instructions. Provide this information along with the Foreign Bank's SWIFT, Sort Code, IBAN, CLABE, or Canadian Transit Number in the "Additional BNF information" field to avoid delay in the processing of your wire. There is no guaranteed time frame in which international wire will be received. However, you may request research after the 10th business day.
