

Memorial Credit Union Update

Memorial Credit Union is preparing to reopen our lobbies by appointment only, starting on Monday, June 1, 2020. We are working hard to balance member needs while maintaining a safe and healthy environment for members and employees.

We encourage members to utilize remote access channels such as our website, phone, drive-thru, online banking, and mobile app/deposit for the bulk of your transactions. However, if you have a specific need that requires in-person assistance, just give us a call at 713.778.6300 to schedule an appointment at a branch near you.

We understand these temporary safety measures create some inconveniences and we appreciate your patience during this time. Stay tuned for updates as we take steps toward more normalized service. We look forward to helping you and doing so in a responsible manner.
